THE ANNUAL REPORT OF THE COMMITTEE
OF
BIRKENHEAD GENERAL HOSPITAL

For the Year ended 31st December, 1945.

The Committee has pleasure in presenting the Annual Report of the Hospital for the year 1945.

The year 1945 has been a memorable one. It has been a year of victory and national post-war planning. Big schemes are in course of preparation one of which concerns the Nation's Health Services ; the extent to which Voluntary Hospitals are to be affected remains to be determined but meantime considerable apprehension has been engendered. Nevertheless, the Committee can assure the general public that every effort is being made to keep this Hospital abreast of the times in staff and equipment. The next eighteen months are likely to be a period of great difficulty, and the continued support of our many friends is earnestly solicited. A debt of gratitude is due, not only to the members of H.M. Forces now returning from the four corners of the earth to enjoy the fruits of their labours, but to the citizens of Birkenhead and Wirral who so nobly did their part on the home front, and it is sincerely hoped that everyone will treat the return of peace as an occasion for thankfulness by supporting the Hospital to the utmost of his or her ability.

It is with feelings of sorrow that the Committee records the loss sustained by the death on 7th October, 1945, of Thomas Harwood Harper, one of our Vice-Presidents, a very generous and devoted friend and public spirited gentleman. The late Mr. Harper had served as a member of the General Committee, and also as Chairman of a number of Sub-Committees since 1921. He will be long remembered for his business ability, tact and sound judgment. Many good causes on Merseyside have lost a staunch and true supporter, and his interest and practical help in the affairs of the Hospital will be recalled with deep and lasting gratitude.

With deep regret your Committee has also to report the death on 14th October, 1945, of William Henry Daniels, for 16 years Secretary-Superintendent of the Hospital. A native of Middlesbrough, Mr. Daniels came to the Hospital at a time when its finances were in a precarious condition. By the foresight and bold policy recommended by him, the Hospital now stands high in the esteem of the Borough, and has progressed steadily until it now takes its place in the forefront of the Hospitals of Merseyside. The addition of the new Out-Patients Department in 1929 and the New Coronation

Wing in 1937 placed a hall-mark of efficiency on his untiring services. He was an ideal Secretary and his personality and cheerfulness have accounted in no small measure for the friendly atmosphere which pervades the Hospital. The Committee not only mourns the loss of the Hospital's Chief Executive Officer, but pays tribute to a man who stood high in the judgment of all as a true Christian gentleman.

The Year's Work.

The following comparative figures reveal a year of great activity in the Wards and Departments, and increased service to the community :—

	1945	1944	1943
In-Patients Admitted	3,344	2,905	2,874
Out-Patients and Casualties ..	31,465	30,258	29,283
Total Out-Patient Attendances	94,708	92,474	81,627

Major Operations	2,158	2,324	2,013
Minor Operations	4,473	4,129	3,427

The demands on the Casualty Department have again been particularly heavy and the average of accident and emergency cases weekly, has considerably increased beyond last year's figures.

Income.

Ordinary Income amounted to £41,588 19s. 1d. compared with £43,562 0s. 6d. for the previous year, the difference being chiefly due to a falling off in Donations.

Extraordinary Income amounted to £6,349 14s. 4d. as against £7,282 8s. 3d. last year.

Your Committee again desires to express to the Merseyside Hospitals Council and its Contributors, their grateful thanks for the sum of £13,245 received in recognition of services rendered. The sum of £510 was also received through the Merseyside Hospitals Council in respect of Hospital Sunday collections, and the Committee's thanks are accorded to the Churches for this welcome gift, which is ear-marked for the treatment of the necessitous sick.

Christmas Appeal.

The Boroughs of Birkenhead and Bebington and the surrounding Districts have responded nobly to the Christmas Appeal for 1945/6. This has been a record year, the gross collections amounted to £4,244 13s. 9d. and expenses at £160 9s. 1d. resulted in a net sum of £4,084 4s. 8d. to be transferred to the Hospital Funds.

This sum represents an immense amount of hard work, and to all our 704 Voluntary workers who have acted as Depot Holders and Collectors; to the Hotels, Clubs and Societies which have taken part in the Christmas Appeal Competition, your Committee tenders its sincere thanks and appreciation. The following figures will give some indication of the progress made since 1936 :—

1936	1937	1938	1939	1940	1941	1942	1943	1944	1945
£500	£535	£652	£700	£925	£1,514	£2,877	£4,049	£3,910	£4,084

Bequests.

The Committee gratefully acknowledges the receipt of the following legacies :—

„ „ „ Mr. R. W. Baxter	..	..	26	0	6
„ „ „ Miss S. B. Seaman	..	..	10	0	0

Your Committee would again express its earnest hope that Testators when drawing up their Wills will remember the needs of the Hospital.

Expenditure.

The Ordinary Expenditure for the year amounted to £46,518 11s. 10d. the highest ever recorded, being an excess of £3,718 3s. 1d. compared with 1944—the increase being largely due to the higher cost of commodities, and increases in Salaries and Wages. Extraordinary Expenditure for the most part is provided for out of the Extraordinary Income. After making transfers as recommended by the Finance Committee, the deficit on the year's working was £5,155 17s. 11d.

The Committee is seriously concerned at the Hospital's growing burden of upkeep and a close watch is being kept on all items of expenditure. Items such as Salaries and Wages are regulated by the Rushcliffe Scale for Nursing Staff while scales of wages recommended by the British Hospitals Association for Domestic and other workers set the standard to be followed. Whilst every effort is being made to work on the most economical lines, your Committee is determined to maintain the highest possible standard of treatment and nursing, and appeals to the people of Birkenhead and Wirral for an even wider recognition of the work carried on by the Hospital, and for a still more generous measure of financial support in order to save them from the distasteful necessity of considering any increased charges to be made to the patient.

Lady Collectors of Subscriptions.

The Hospital continues to appeal to the residents through the activities of our Lady Collectors of Subscriptions, with excellent results.

During the year the Lady Collectors have raised the highest sum ever reached (£292) an increase of £15 over the previous record. Your Committee desires to express its thanks to the ladies concerned on this achievement.

Hospital Linen Guild.

The Hospital Linen Guild, under its President, Lady Leverhulme, and its Honorary Treasurer and Secretary, Mrs. G. Wetherell, continues to flourish, and they too record the best results ever obtained. Subscriptions showed a slight increase at £104 2s. 3d. but donations were not quite as high as in previous years. Commencing the year with a credit balance of £93 3s. 0d. the money collected from various sources reached the total of £534 19s. 8d. This represents hard work, patience and fortitude, and your Committee desire to place on record thanks to everyone who has contributed towards this outstanding result.

Hospital Library.

The Ladies of the Library Section continue to render yeoman service in maintaining the Hospital Library, which provides a great boon to our patients, and your Committee desires to tender its thanks. Gifts of books and periodicals will be thankfully received.

Almoner's Service.

The work of the Almoner's Department has increased during the year, and many patients have been interviewed and assisted, advantage being taken of the facilities provided by the Department for obtaining special appliances and convalescent treatment.

Medical and Nursing Staffs.

Your Committee again desires to record its high appreciation of the devoted work of the Honorary Medical Staff, Resident Medical Officers, Nursing Staff and the V.A.D. Nurses. Letters continue to arrive from patients and relatives expressing in generous terms their thanks for skilled attention and kindness received.

With great regret your Committee received the resignation of Miss K. Inga Cawood from the position of Matron, on her appointment to the Royal Berkshire Hospital, Reading. Miss Cawood served the Hospital with conspicuous ability for five years, and her wholehearted co-operation was greatly valued. Miss Cawood is being succeeded by Miss Catherine Menzies, who returns after serving

a short period as Matron of the Leeds Public Dispensary. Your Committee is convinced that her wide experience will ensure the maintenance of the high standard of efficiency. Miss Menzies has the good wishes of the Committee in the performance of her responsible duties.

Committee.

There have been changes in the membership of the Committee during the past year. Owing to the death of Mr. Harper and the desire of your Committee to lighten the burden of the President, Mr. E. B. Royden, Mr. T. W. Harley, M.B.E., M.C. has been appointed Chairman of the General Committee.

Mr. Ralph H. Gossage, formerly Honorary Secretary, has been made a Vice-President.

It is with sincere regret that the Committee has to record the resignation of Sir Lionel A. P. Warner, C.B.E., J.P., Mr. W. S. S. Hannay, and Major Peter Laird, owing to removal from the district, and tenders sincere thanks for the valuable services given by these gentlemen. A special tribute must be paid to Sir Lionel Warner, who, as Chairman of the Nursing Committee rendered outstanding service. Mr. E. Wrayford Willmer has been appointed Chairman of the Nursing Committee.

The Committee has co-opted Mr. Lockhart E. Holmes, O.B.E. and Mr. Joseph E. Moon to fill two of these vacancies.

The following members are due to retire by rotation, but are eligible for re-election :—

Mrs. A. Robinson, J.P., Mrs. G. Wetherell, Miss Temple,
Messrs. W. Jones, F. J. Fowler, Cecil W. Marsden and
W. T. McIvor, J.P.

Reference has been made earlier in this Report to the vacancy occasioned by the death of Mr. W. H. Daniels. As his successor the Committee selected Mr. H. Hewitt Cooke who, as Accountant, had for four years ably assisted the late Secretary-Superintendent. By this appointment the Committee feels happy that a continuity of the policy and methods in this important department of the Hospital which have proved so efficacious in the past are being preserved and the future is accordingly faced with confidence.

Appreciation and Thanks.

The work that the Hospital can accomplish depends upon the financial assistance which is forthcoming. Your Committee, therefore, desires to place on record its grateful thanks to the many Subscribers, Donors and friends of the Hospital, who by their generous support and services, have made possible the increased work carried on last year.

The British Red Cross and St. John War Organisation and the Canadian Red Cross have sent a large quantity of Hospital Stores, etc., and the Committee expresses grateful thanks for these welcome and acceptable gifts. Our thanks are also due to Mrs. E. B. Synge, Volunteer Car Pool Officer for her untiring efforts and services rendered to the Hospital.

The Committee would also like to record its appreciation of the gifts of flowers to brighten the Wards, the illustrated magazines to interest the patients, and to those friends who have sent gifts of fruit, vegetables, eggs, etc.

To the local Clergy and Ministers who have regularly visited the Hospital during the year, a special debt of gratitude is hereby acknowledged.

E. B. ROYDEN,
President.

“The Voluntary Hospital movement not only represents the oldest established hospital system of the country, but it attracts the active personal interest and support of a large number of people who believe in it as a social organisation and who wish to see it maintained side by side with the hospitals which are directly provided out of public funds.”

**TO THOSE WHO FEEL THAT THIS
HOSPITAL DESERVES TO BE HELPED.**

The day-to-day generosity of the living is the mainstay of this Institution, but the burden so ungrudgingly borne would be greatly lightened if those benevolent persons who have money to leave would remember the Hospital when making their wills.

A form of bequest will be found at the end of this Annual Report.

A COPY OF THE ANNUAL REPORT

will be gladly sent to any friend of the Hospital upon request.

" Those who bring sweetness into the lives of others cannot keep it from themselves."
